A screenshot of the registration page on the Tracking Zellag website. The browser's address bar shows 'tracking.zellag.com/register'. The page features the 'ZELLAG TRACKING' logo at the top. Below the logo is a 'Register' form with several input fields: Name, Company Name, E-Mail Address, Password, Confirm Password, Phone Number, Department, Position, and Country. A blue 'Register' button is located at the bottom of the form.

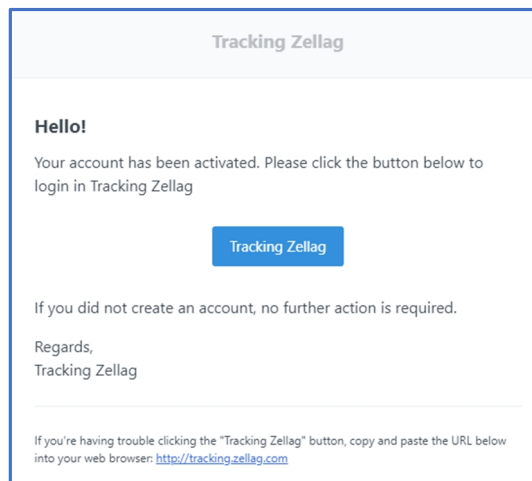

- A screen appears informing you that you must verify your email address.

- Click on “VERIFY YOUR EMAIL ADDRESS” in the received mail (see image below). Then your email will be verified.
- Now, within a maximum period of 24 hours, ZELLAG we will activate your account.

- Once activated, you will receive an email notifying you that, you have access to our “WEB TRACKING”.
- You can press the “TRACKING ZELLAG” button of the email or go directly to your browser, and enter the url to start the query. [Salto de ajuste de texto]

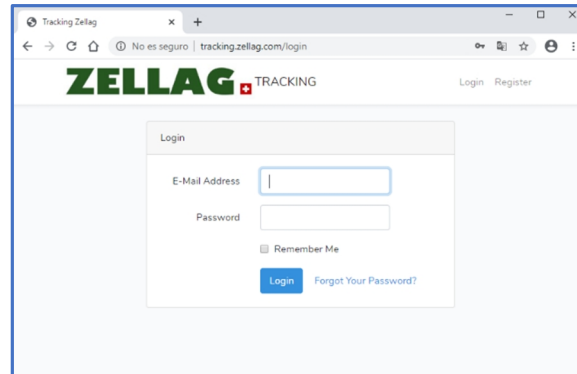

To start checking the status of your orders:

- From the url do LOGIN

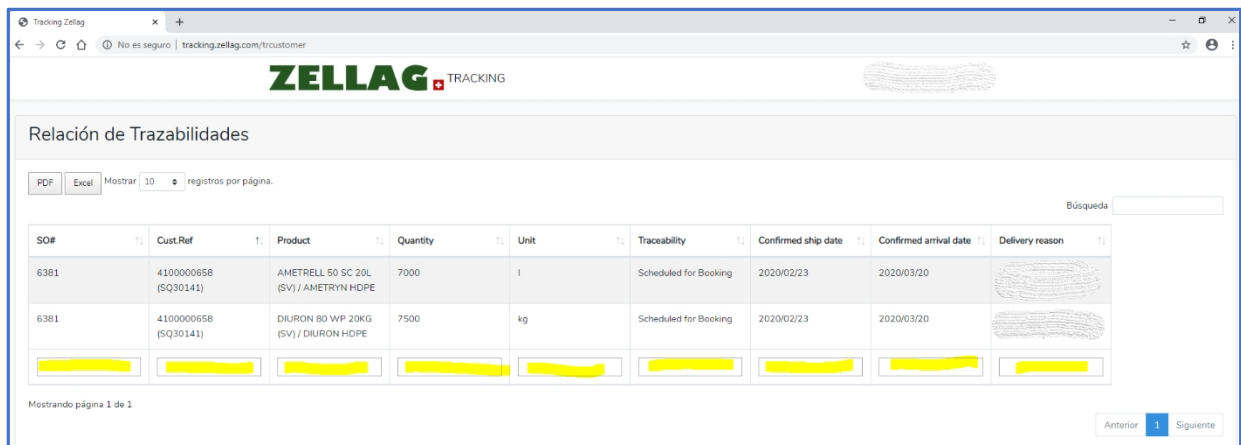

- Enter your email and password.
- If you want to remember this data for successive occasions, check "Remember me"
- Press the "Login" button.

The screenshot shows a web browser window with the URL tracking.zellag.com/login. The page features the ZELLAG TRACKING logo and navigation links for Login and Register. The main content is a login form with the following elements:

- E-Mail Address input field
- Password input field
- Remember Me checkbox
- Login button
- Forgot Your Password? link

- In the orders, you can see the current situation and expected dates of arrival of your products.
- You can filter by any column, using the lower boxes (highlighted in yellow). Just a few letters or numbers to appear the lines containing the data entered.
- You can generate a PDF or export the data to EXCEL, by pressing the corresponding buttons.
- You can select the number of registers to display on the same page. By default, 10 registers are displayed without having to paginate.

The screenshot shows the 'Relación de Trazabilidades' page in the ZELLAG TRACKING system. The page includes a search bar, export options (PDF, Excel), and a table with the following data:

SO#	Cust.Ref	Product	Quantity	Unit	Traceability	Confirmed ship date	Confirmed arrival date	Delivery reason
6381	410000658 (SQ30141)	AMETRELL 50 SC 20L (SV) / AMETRYN HDPE	7000	l	Scheduled for Booking	2020/02/23	2020/03/20	[Redacted]
6381	410000658 (SQ30141)	DIURON 80 WP 20KG (SV) / DIURON HDPE	7500	kg	Scheduled for Booking	2020/02/23	2020/03/20	[Redacted]

Below the table, there are buttons for PDF and Excel, a search box, and pagination controls. The page indicates 'Mostrando página 1 de 1' and has 'Anterior' and 'Siguiete' buttons.
